

## The Construction Leadership Council of Michigan will be collecting gently worn footwear to benefit Soles4Souls™, Inc.

Footwear - it is a basic need that most of us take for granted every day. While most of the world does not have one adequate pairs of shoes, Americans have an abundance of footwear sitting idle in our closets. Your consideration of simply cleaning out your closets can make a significant difference in the quality of life of someone in need.

For us, comfort and style are the primary reasons for the footwear we select. For those without shoes the healthcare benefits is the most urgent reason footwear is so desperately needed. A quality pair of shoes protects their foot from scrapes, cuts, and contaminants that lead to potentially serious healthcare issues.

Soles4Souls along with its many distribution partners are working "around the corner and around the world" to make a difference with the gift of shoes. They are presently working in over 45 states and 61 countries. See how your shoes could make a difference in our own back yard as well as globally.

Domestically shoes go to disaster relief, Appalachia Mountains region, Navajo/Hopi Indian reservations, Women Domestic Abuse Shelter, inner city hospitals, homeless shelters, and summer camps for disadvantaged children.

Globally they go to orphanages, village women, and basic needs areas of numerous countries. Upcoming trips are scheduled for Honduras, Guatemala, Mexico, Uganda. Please visit [www.giveshoes.org](http://www.giveshoes.org). for more information on this charity organization.

### Drop off your shoes at one of the following locations:
