The AGC of Michigan and the Young Constructor Committee is pleased to invite you and your employees to join your construction industry colleagues at our awesome Sporting Clays Shotgun Day. This event promises to be great fun for all hunting and shotgun enthusiasts and you will have an opportunity to shoot 75 clay pigeons vs. 50 in years past! In addition, the net proceeds from this years event will help support a very worthy charity, Ronald McDonald House - Detroit (RMH-D).

All individuals who go through the course must bring their own shotgun - only 20, 16, or 12 gauge shotguns may be used—and your own eye and ear protection (the club will provide 12 & 20 gauge ammunition). There is a 110-person limit and spots always fill up fast!

We also ask that you bring non-perishable foods with you the day of the event to help re-stock the pantry at RMH-D. They just suffered a flood that wiped out their pantry.
