ConstructED
Professional development built for the construction industry

Personal Finance

Your Money. Your Future. Your Move.

One course. Three pillars. A lifetime of smarter money decisions.

Whether you've just broken ground on your career or you've been building for decades, your financial health matters as much as your job-site skills. AGC Michigan's new **Personal Finance** course, available through the **ConstructED** portal, delivers real, practical money know-how on your schedule, at your pace, with zero pressure and zero cost. No classroom. No commute. Just knowledge you can put to work today.

What You'll Learn

- **Income, Expenses & Savings.** Understand the three pillars that drive every smart money decision.
- **Budget Like a Pro.** Build a hands-on framework for this month and the next decade.
- **Connect Today to Tomorrow**. See exactly how daily habits lead to your biggest life goals.
- **Real-World Scenarios.** Construction-focused examples that apply to your life.

Course Highlights

- **Just 1 hour.** Fit it in over lunch, after work, or on the weekend.
- **Self-paced and on demand.** No deadlines, start and stop on your schedule.
- **Interactive & engaging.** Matching exercises, sorting challenges, and real-world scenario questions.
- **Free for AGC Michigan members** through the **ConstructED** portal.
